Accommodation and Travels

Participants are requested to make their own arrangements for travel, boarding and lodging. Accommodation can be arranged for out station participants in hotels and guest houses on their own response. The weather is usually pleasant in January with temperature ranging between 18-25 °C.

How to Reach Chandrapur

Chandrapur is located about 160 km from Nagpur and is duly connected by road and rail routes. Chandrapur has a railway station (Station code CD) placed on New Delhi- Chennai main line of Indian Railways with maximum train stoppages. Dr. Babasaheb Ambedkar International Airport, Nagpur is the nearest one to reach Chandrapur by air which is well connected with private and state transport buses.

Mobile No. : 9423691422

Venue : Dr. Ambedkar Bhavan
Dr. Ambedkar College of Arts, Commerce & Science, Chandrapur, M. S., India

Invitation

The organizing committee of Dr. Ambedkar College of Arts, Commerce and Science, Chandrapur cordially invites you to be a part of International Multidisciplinary Conference on Environmental Challenges in Global Scenario on 27 January, 2024. The scientific programme includes keynote address, invited talks, oral and poster presentation on the theme of conference.

About the College

Dr. Ambedkar College of Arts, Commerce & Science, a renowned educational Institute was established in 1970 by founder President Late Barrister Rajabhau Khobragade with an aim to eradicate illiteracy among Bhahunjan Samaj. The Institution is run by Dr. Babasaheb Ambedkar Memorial Society, Chandrapur and now functioning efficiently under the visionary and dynamic leadership of President Hon'ble Arun G. Ghotekar. The College has been re-accredited with B⁺ Grade by NAAC. The College has been accorded Buddhist Religious Minority Status and is certified by ISO. The College mainly caters to SC/ST/NT and other backward category students from rural and tribal areas.

The College offers programmes in the faculties of Science & Technology, Commerce & Management and Humanities at UG and PG levels. The College has Ph. D. programmes in Botany, Electronics, Chemistry, Zoology, Marathi, History and Commerce & Management.

About the Conference

Environmental challenges on a global scale include climate change, biodiversity loss, deforestation, pollution (air, water and soil) and unsustainable resource consumption. International efforts focus on mitigating these issues through agreements like the Paris Agreement, promoting sustainable practices and raising awareness about the importance of environmental conservation. Ongoing challenges require collaborative solutions to ensure a sustainable and resilient future for the planet.

The main objective of the conference is to provide a platform for academicians, scientists, researchers, professionals and students to present and discuss their research work and innovational outcomes in the field of Environmental Challenges. This will gleam the latest innovations and technology towards conserving, sustaining and managing the healthy environment. The conference will also associate several outstanding scientists from different parts of India and the globe for sharing their findings with young researchers and to establish relationship with each other for future collaboration. The expected outcome of the conference would be the young enriched minds ready to step towards the sustainable development.

Sub-themes

The focus of the conference will be on Environmental Challenges in Global Scenario and related issues like

- Environmental Resources and Management
- Biodiversity Conservations and Issues
- Wildlife Protection and Conservation
- Restoration of Degraded Land for Environmental Sustainability
- Biodiversity of Past and Present
- Ecological and Environmental Chemistry
- Green Chemistry and Technology for sustainable development
- Global Warming and Climate Change
- Ecosystem Restoration
- Paleobotany and Paleoenvironment
- Material Science and its Impact on Environment
- Environmental Remediation Methodologies
- Environmental Challenges : Socio - Economic-Health and Cultural Facets
- Application of Science & Technology for Environment Protection
- Human Communities and Environmental Challenges
- Nanotechnology for Environment Pollution
- Sence of Nature in Marathi Literature
- Marathi Literature and Environment : Relationship
- Business Environment
- Environment Management
- Agriculture Environment
- Environment and Social issues
- Environment impact on Economy and Society
- Environment Policy of Government of India
- Environment Protection Acts of Government of India
- Literature and Environment
- Environmental Literature and Culture
- Green Library

About Chandrapur City

Chandrapur is located in the eastern Maharashtra region of India. It is known as city of forts and black gold. It was founded by Gond Raja Khandkya Ballal Shah. The Erai and the Zarpur rivers pass through the city. A huge dam constructed on Erai river is a great soucre of water. The city and its vicinity is well known for its geological treasure as large variety of rocks containing fossil records and commercially valuable minerals are available in plenty. The city also holds pride in having Asia's second largest Thermal Power Plant. Tadoba Andhari Tiger Reserve, wildlife sanctuary is one of the most famous national parks of India located near Chandrapur is a well known tourist place. The city is also blessed by the historical embracing of Buddhism, the Deeksha Ceremony, by Dr. B. R. Ambedkar and his followers on 16th October, 1956.

Call for Abstract/Papers

Participants are requested to submit the abstract for paper & poster presentation not more than 300 words in MS Word file. It should be typed in Times New Roman style in font size 12 and marathi font krutidev 55 (font size 16) with line spacing 1.5. The title should have font size 14 in bold, author(s) name, affiliation and email address of corresponding author in size 10. Selected research papers will be published in **Peer Reviewed or UGC Care Listed Journal** with additional charges after the event. Both the abstract and full length paper should be sent to the **Email : daccic2020@gmail.com**

Registration Contact		Paper Submission
