**Short Description/Outline of the Programme:**

Parent-Teacher Meet was organized in Dr. Ambedkar College of Arts, Commerce & Science on Saturday, 7<sup>th</sup> August 2021 at 11.00 AM in **online mode on Webex Meet App**, to discuss about academic improvement and performance of the students with their parents and to make a healthy relationship amongst the students, parents and teachers. The parents were intimated about the meeting well in advance through a whatsapp message and telephonic conversation by the faculty of the college. Usually this meet happens on an offline mode, but with the current pandemic situation we decided to organize this in a digital platform with the help of **Webex Meet App**. To make parents join in the meet virtually, their wards coached them how to open **Webex** link, how to mute & unmute etc. themselves and also helped them to get adapted to the novel mode of getting connected to the teachers. About 105 parents attended the meet virtually.

The meet was chaired by Dr. Rajesh Dahegaonkar, Principal of the Institution. Dr. P. M. Shende (IQAC Co-coordinator), Dr. Sanjay beley (Vice-Principal) of the College were the other dignitaries present during the meet. Prof. N. G. Rangari made parents aware about the importance of Parent-Teacher Meet and welcomed the guests and parents. The Principal of the College, Dr. Rajesh Dahegaonkar enlightened his Vision and Mission of the

There was a very fruitful interactive discussion among the teachers and parents about the particular potential and weaknesses of the students in individual subjects and the amount of discipline displayed by the students in online classes. A healthy discussion was also done on the student's progress, attendance, improvisation and challenges. Teachers interacted with parents to make them aware about the students existing learning process. Parents expressed their gratitude and enthusiasm for the interaction with the teachers so that they can know better about the performers of their children's at the institute. Parent's suggestions on the interests and learning of their children's were duly noted. The feedback from Parents about the institution was also taken on this occasion.

5. Dr. P. M. Shende (IQAC Co-ordinator) addressing the Meeting 6. Mrs. Pournima Tiple expressing her views on the occasion, 7 & 9. Overview of the Meeting, 8. Dr. S. D. Beley (Vice-Principal) addressing the parents, . 10. Mr. G. G. Ramteke concluding the meeting.

**Outcome:** Parents became aware about the policy and conventions of the institution and teaching & learning methodologies for the entire development of their wards. Parents were encouraged to realize the importance of involvement of the students in all academic activities. Parents appreciated the efforts and the individual attention given to every child despite it being via an online platform by the faculty. Though there are certain difficulties in online sessions, despite this, many parents feel that online classes are a great initiative to gain visibility on their performance and also avoid a huge learning gap till they return to the institute in the physical mode. They also suggested some of the areas where improvement needs be done. Their suggestions were given due respect and they were assured that the institution is committed to fulfill all their desires as soon as possible.
